

8TH EDITION ICC SAFETY & SUSTAINABILITY CONCLAVE 2026

BUILDING A SUSTAINABLE AND COMPETITIVE CHEMICAL INDUSTRY FOR VIKSIT BHARAT

26TH & 27TH NOVEMBER, 2026

**LAXMI VILAS PALACE CONVENTION CENTRE
VADODARA, GUJARAT**

ABOUT THE CONCLAVE

8th ICC SAFETY & SUSTAINABILITY CONCLAVE 2026 - A premier annual conclave on ESG integration, decarbonization, product stewardship and operational safety in the chemical sector. Building on the success of the previous editions, this year's Conclave marks an important milestone with two significant developments. Recognizing that Safety is the foundation of Sustainability in the chemical and petrochemical industry, the event has been renamed the ICC Safety & Sustainability Conclave, placing equal emphasis on both critical pillars. In addition, considering Gujarat's position as India's leading chemical manufacturing hub, we are pleased to host this edition in Vadodara, providing an ideal platform for industry leaders, policymakers, experts, and practitioners to engage in meaningful discussions on the sector's most pressing challenges and emerging opportunities.

3S Strategy:  **Safe** |  **Smart** |  **Sustainable**

ABOUT INDIAN CHEMICAL COUNCIL

INDIAN CHEMICAL COUNCIL (ICC), established in 1938, is the apex national body representing India's USD \$235 billion chemical & petrochemical industries. ICC is a full member of the International Council of Chemical Associations (ICCA) and is the Nodal Agency for "Responsible Care" in India. ICC has served the industry through its focused activities/ functions and offerings to cater to the varying needs of the Indian Chemical Industry.

With the legacy of over eight decades, ICC plays a pivotal role in shaping the role of India's chemical industry by working closely with industry stakeholders, policy makers, academia, regulatory authorities, and international organizations. The council is committed to promote safe, sustainable and globally, competitive practices across the sector.
